

## Arrival Directions: 768 & 780 Columbus, 1065 Tremont, 10 Coventry (9/2)

Unloading Location: **Renaissance Park Surface Lot** → Parking Location: **Columbus Garage** → Check-In Location: **780 Columbus Lobby**

1. If you are arriving by car to campus you will first need to proceed to your Unloading Location at Renaissance Park Surface Lot. Please use [this link](#) as a location for driving directions.
2. At Renaissance Park Surface Lot, you will unload your belongings from the car into one or two moving hampers. Move support will be present in the lot to aid with unloading, and you will need to leave a Government Issued ID in exchange for your hampers.
3. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking.**
4. While your vehicle is being parked, you can proceed with your hamper to your check-in location, 780 Columbus Lobby, to check in with Residential Life Staff. Residents of 1065 Tremont will need to pick up their keys at the check in location. If you are driving yourself, the move support will hold your hamper until your return after parking.
5. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to Renaissance Park Surface Lot.
