

Arrival Directions: Midtown Hotel

Unloading Location: **Midtown Garage Rear Exit** → Parking Location: **Columbus Garage** → Check-In Location: **Midtown Lobby**

1. If you are arriving by car to campus you will first need to proceed to your Unloading Location at Midtown Garage Rear Exit. Please use [this link](#) as a location for driving directions; however, **you must enter Public Alley 404 from Cumberland Street**.

2. At the Midtown Garage Rear Exit, move support will be present to aid with unloading, and you will need to leave a Government Issued ID in exchange for your hamper. You will not enter the Midtown Garage, and parking is not available on site.
3. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. There will be no oversized, over height, or overnight parking.
4. While your vehicle is being parked, you can proceed to your check-in location, Midtown Lobby, to check in with Residential Life Staff. If you are driving yourself, the move support will hold your hamper until your return after parking.
5. Move support will assist with taking your hamper from the garage to the first or second floors via the elevator. The elevator is only accessible during these official move-in days.
6. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to Midtown Garage.
