Summer I 2024 Selection Schedule

ROOMMATE PULL-IN PROCESS TIMELINE
The pull-in process will take place from 10am – 4pm on March 26.

The pull-in process is only open to students who were automatically assigned into their current Spring bedspace for Summer I which also have vacancies in their room/apartment/suite. The student who is already booked in the room will be the student who "pulls-in" the other roommates using the other students' NUID and Roommate Group Pin. Only students who are not already assigned will be eligible to be pulled in.

HOUSING SELECTION TIMELINE
Based on your selection number, you have a selection date and time for both Group and General Selection on the following schedule. However, once you select your housing, or are pulled-in by a friend, your assignment is final, and you are no longer eligible to participate in additional parts of housing selection.

Group (Fill an Apartment/Suite) Selection
Students will be able to select from all apartments/suites with EXACTLY as many vacancies as the size of the group.

General/Individual Selection
Students will be able to select from all apartments/suites with AT LEAST as many vacancies as the size of the group.

Review the schedule below to determine when you can log in to select a room for Summer I 2024. You may choose a room beginning at **your scheduled time or any time after**, during scheduled Summer I room selection days/hours. See the schedule below for dates and times in which the system and staff will be available.

All times are Boston - Eastern Time

Selecting by Proxy: If you are unable to select at your scheduled time, and you would like a Housing and Residential Life staff member to select for you, please contact housing@northeastern.edu to obtain a proxy form. Requests for a proxy form must be received at least one full business day in advance of your selection date and time, and a deadline to return your completed form will be provided based on your selection date and time. Your housing will then be selected for you based on your preferences and what is available.
