

Arrival Directions: International Village (9/2)

Unloading Location: **Columbus Garage** → Parking Location: **Columbus Garage** → Check-In Location: **International Village Lobby**

1. If you are arriving by car to campus, you will first need to proceed to your Unloading Location and Parking Location at Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking.**
2. At Columbus Garage, you can sign out one or two moving hampers from the SquashBusters hamper station. You will need to leave a Government Issued ID in exchange for your hampers.
3. You can proceed with your hamper to your check-in location, International Village Lobby, to check in with Residential Life Staff.
4. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to the SquashBusters hamper station.

Students arriving by any ride-hailing service may prefer to unload outside the Columbus Garage near the SquashBusters hamper station or near International Village. Please be sure to mind all street signage and parking/standing restrictions and note that **there is no assisted curbside unload or parking/standing at International Village on Wednesday, September 2.**
