

Arrival Directions: International Village (9/4, 9/5, & 9/6)

Prior to arrival all students will need to print their Cruise Ship Unloading Pass found on their Housing Online portal.

Unloading Location: **International Village Curbside** → Parking Location: **Columbus Garage** → Check-in Location: **International Village Lobby**

1. If you are arriving by car to campus, you will first need to proceed to Unloading Location at International Village Curbside. Please use [this link](#) as a location for driving directions. **It is easiest to approach on Columbus Ave, westbound from Massachusetts Ave.** There is no entry to the move-in queue directly from Tremont Street.

2. At International Village Curbside, you will need to **present your printed Cruise Ship Unloading Pass** to the move support staff who will unload your belongings from the car into one to two moving hampers. Move support will deliver your hampers of belongings to your assigned room listed on your Cruise Ship Unloading Pass.
3. Once your belongings are removed from your hampers in your room, move support will bring your hampers back to the unloading station.
4. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking.**
5. While your vehicle is being parked, you can proceed to your check-in location, International Village Lobby, to check in with Residential Life Staff.

Parking Codes/Pass by Day:
