

Arrival Directions: Light Hall (9/2 & 9/4)

Unloading Location: **North Lot** → Parking Location: **Columbus Garage** → Check-In Location: **Light Hall Lobby**

Please note: Light Hall has a stair entry which cannot be equipped with a ramp and has no elevator. Please plan accordingly when packing and when loading hampers, which cannot be pushed into the building or brought upstairs.

1. If you are arriving by car to campus, you will first need to proceed to your Unloading Location at North Lot. Please use [this link](#) as a location for driving directions.
2. At North Lot, move support will be present to direct traffic and to assist with unloading your belongings from the car into one or two moving hampers. You will need to leave a Government Issued ID in exchange for your hampers.
3. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use [this link](#) as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking.**
4. While your vehicle is being parked, you can proceed to your check-in location, Light Hall Lobby, to check in with Residential Life Staff. If you are driving yourself, the move support will hold your hamper until you return after parking and checking-in.
5. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to North Lot.
